

Re: Transfer of Computer Software: CompareProspector  
Dear Colleague:

Per your request I would like to make available to you the computer software known as CompareProspector that was developed at Stanford University in the Program of Biomedical Informatics and Department of Computer Science by Yueyi (Irene) Liu, X. Shirley Liu, Liping Wei, Russ Altman, and Serafim Batzoglou.

The software is being provided on an 'as is' basis for your non-commercial research purposes. Please do not distribute the software, or any portion or derivative thereof, beyond your organization. We are providing the software to you without warranties and with no provisions for support or future enhancements as stipulated below. Please note that Stanford University and its employees have no liability in connection with the use of the software.

- 1. This is a legal agreement between you, RECIPIENT and STANFORD UNIVERSITY. By accepting, receiving and using this Program, you are agreeing to be bound by the terms of this Agreement.**
2. STANFORD grants to RECIPIENT a royalty-free, nonexclusive, and nontransferable license to use the Program furnished hereunder, upon the terms and conditions set out below.
3. RECIPIENT acknowledges that the Program is a research tool still in the development stage and that it is being supplied "as is," without any accompanying services or improvements from the DEVELOPER.
4. RECIPIENT agrees to use the Program solely for internal purposes and shall not distribute or transfer it to another location or to any other person.
5. Title and copyright to the Program and associated documentation shall at all times remain with STANFORD, and RECIPIENT agrees to preserve same. RECIPIENT agrees not to make any copies except for its internal use in the above laboratory. RECIPIENT agrees to place the appropriate copyright notice on any such copies.

If you agree with the above points, please have a legally responsible official of your institution sign and return a copy of this letter to Irene Liu, 251 Campus Dr. X215 Stanford University, Stanford, CA, 94305. We will promptly send you a URL and password so that you can download the software.
